LP-3CV Value Package

Quality sound at a price anyone can afford!

Assistive Listening

Whether in a theater, house of worship or at a sporting event, individuals want to experience every word and every moment. Although most people can suffice with a standard sound system, there are inevitably several in every gathering who could use a little help, or who want an enhanced auditory experience. Open up a world of communication so everyone can have the opportunity to clearly hear your message.

Value

The LP-3CV is priced to better compete when you want a Listen solution but also are on a tight budget. Meet your assistive listening needs economically and be backed by Listen's Limited Lifetime Warranty.

Meet ADA and Get a Tax Credit or Deduction

If you are a public facility in the United States, Listen's 3-Channel Value Package may qualify you for a tax credit and/or deduction.

Easy to Use

Installation is quick and easy. Plus with features like one step digital tuning, the receivers won't drift off channel.

Versatility

Universal inputs on the transmitter ensures your customers can use the LP-3CV with their preferred audio source; mixer, microphone, iPod or CD. Universal headphone output on the receiver accommodates mono or stereo allowing your customers to use any earpiece.
